

To All Residents:

With the projected peak of the Covid 19 virus coming, I am closing Village Hall effective immediately to the general public for at least the next two weeks. This includes, the Building Department, Mayor's court, and Admin. Those departments were working limited hours at VH. For the next two weeks, the Police will have exclusive use of the building.

While employees will continue to work from home, it is problematic to prepare for a council meeting on Wednesday, April 15th. The council meeting will be postponed until a date to be determined.

Service Director Joe Zalar, Lt. Chuck LoBello, Deputy Fiscal Officer Diana Cooks and I met yesterday and changed the shifts on Service and Police to minimize the interaction with each other and the public. Moreover, I have issued an order that all employees must wear a face mask whenever they interact with other individuals.

My time at VH will be limited; I will do whatever needed to keep our government and departments able to serve our residents in an effective manner while doing everything possible to keep our employees and residents safe and well.

Every day presents a different challenge for all of us. Your patience and understanding is much appreciated.

I hope this finds all of you well. More updates to come.
