Parents, bring your kids (baby to early elementary) to join in the fun and make some new friends! We are also happy to accept gently used toy donations for the children.

Come and get your hands dirty and create a work of art! Beginning potters to advanced are welcome. Call 216.291.1127 for more information or to register for the class.

Come check out the fitness room. From treadmills to free weights, there is something for everyone! The gym is also open for free play when it has not been previously reserved. There are a lot of singles that come to play basketball that could use some competition!
